

The image displays a 100x100 grid of dots, representing a matrix. The dots are arranged in a pattern that suggests a sparse matrix, with many empty cells and some clusters of dots. The pattern is not uniform, with some rows and columns having more dots than others. The dots are small black circles on a white background.

A 20x20 grid of black dots on a white background. The dots are arranged in a sparse, irregular pattern, forming a grid-like structure with many missing dots. The pattern is denser in some areas and sparser in others, with some rows having more dots than others. The overall shape is roughly rectangular, with a few dots extending slightly beyond the main grid area.
