

A large grid of 100 rows and 100 columns of dots, representing a 100x100 matrix. The dots are arranged in a pattern that suggests a sparse matrix, with many empty cells and some clusters of dots. The pattern is not uniform, with some rows and columns having more dots than others. The dots are small black circles on a white background.

A 3x3 grid of dots. The top row has two dots, the middle row has two dots, and the bottom row has two dots. The dot in the top-right position is missing.
