The image shows four distinct dot patterns arranged horizontally. The first pattern consists of 5 dots arranged in a cross shape (1 in the center, 4 around it). The second pattern consists of 6 dots arranged in two columns of three. The third pattern consists of 7 dots arranged in a cross shape with an additional dot at the top. The fourth pattern consists of 10 dots arranged in two rows of five.

A 3x10 grid of 30 small, abstract black and white patterns. Each pattern is a unique arrangement of black dots on a white background, forming various shapes that resemble stylized letters or symbols. The patterns are organized into three rows and ten columns.

A 5x10 grid of dots forming a sparse, abstract pattern. The dots are arranged in a way that suggests a larger, more complex structure, possibly a face or a figure, though the pattern is highly irregular and sparse.

The image shows four distinct dot patterns arranged horizontally. The first pattern consists of 1 dot. The second pattern consists of 2 dots. The third pattern consists of 3 dots. The fourth pattern consists of 4 dots.
