

A 20x20 grid of black dots on a white background. The dots are arranged in a sparse, irregular pattern that roughly forms a large, stylized letter 'A' or a similar abstract shape. The pattern is denser in the center and sparser towards the edges. The dots are small and black, set against a plain white background. The overall shape is roughly triangular, with the base at the bottom and the apex at the top. The pattern is composed of many small clusters of dots, some of which are connected, while others are isolated. The distribution of dots is not uniform, with some areas being more densely populated than others. The overall effect is that of a random or semi-random arrangement of points that collectively form a recognizable shape.

A 3x3 grid of dots. The top row has two dots, the middle row has two dots, and the bottom row has two dots. The dot in the bottom-left position is missing, leaving a gap.
