

A 10x10 grid of 100 small clusters of black dots, each cluster representing a different number from 0 to 99. The clusters are arranged in a grid where the first row shows numbers 0-9, the second row 10-19, and so on, up to the tenth row showing 90-99. Each cluster is a unique pattern of dots, with the number of dots corresponding to the value it represents.

A 20x20 grid of black dots on a white background. The dots are arranged in a sparse, irregular pattern that roughly forms a large, stylized letter 'A' or a similar abstract shape. The pattern is denser in the center and sparser towards the edges. The dots are small and black, set against a plain white background.

A 3x3 grid of dots. The top row has three dots. The middle row has two dots, with the rightmost position empty. The bottom row has two dots, with the leftmost position empty.
