

A 20x20 grid of black dots on a white background. The dots are arranged in a sparse, irregular pattern, forming a stylized, abstract representation of a landscape or a complex data set. The pattern is denser in some areas and sparser in others, with a general trend of increasing density from left to right and top to bottom.

[illegible]

A 4x10 grid of 40 small clusters of black dots. Each cluster is a unique arrangement of dots, ranging from 3 to 10 dots per cluster. The patterns are abstract and non-repeating, resembling a form of visual code or a collection of micro-artworks.

A 3x3 grid of dots. The top row has three dots. The middle row has three dots. The bottom row has two dots, with the leftmost position being empty.
