

A 10x10 grid of 100 small clusters of black dots, each cluster representing a different number from 0 to 99. The clusters are arranged in a grid where the first row shows numbers 0-9, the second row 10-19, and so on, up to 90-99 in the tenth row. Each cluster is a unique pattern of dots, with the number of dots corresponding to the number it represents.
