

A 20x20 grid of black dots on a white background, representing a sparse matrix. The dots are arranged in a pattern that suggests a banded or block-like structure, with some rows and columns having more dots than others. The overall shape is roughly rectangular, with some dots extending slightly beyond the main grid area.

A 4x10 grid of 40 small clusters of black dots, each forming a different abstract pattern. The patterns vary in complexity and shape, ranging from simple vertical lines to more intricate, interconnected shapes. The dots are small and black, set against a white background.
