

A 5x10 grid of 50 small clusters of black dots, each forming a different abstract pattern. The patterns vary in complexity, from simple 2x2 squares to more intricate arrangements of 10 or more dots.

A 4x10 grid of 40 small clusters of black dots. Each cluster is a unique arrangement of dots, ranging from a single dot to a small group of up to 10 dots. The patterns are abstract and vary significantly in their structure and complexity across the grid.
