The image displays a 12x12 grid of black dots on a white background. The dots are arranged in a pattern that suggests a banded structure, with higher density along the main diagonal and some off-diagonal elements, particularly in the lower triangle. The overall appearance is that of a sparse matrix visualization, possibly representing a discretized differential operator or a similar mathematical structure. The dots are small and black, and the grid is perfectly square.

A 3x3 grid of dots. The top row has two dots, the middle row has two dots, and the bottom row has two dots. The dot in the top-right position is missing.

A 3x3 grid of dots. The top row has three dots. The middle row has two dots, with the rightmost position empty. The bottom row has two dots, with the rightmost position empty.
