

The image displays a 15x15 grid of 225 small clusters of black dots on a white background. Each cluster is a unique arrangement of dots, representing a different combination of the 15 letters of the alphabet. The clusters are arranged in a grid where each row and column contains 15 unique dot patterns. The patterns are created by combining the 15 letters of the alphabet in a specific way, resulting in a total of 225 unique combinations. The clusters are arranged in a grid where each row and column contains 15 unique dot patterns.

A 3x3 grid of dots. The top row has two dots. The middle row has three dots. The bottom row has two dots, with the leftmost position being empty.
