

The image displays a 20x20 grid of black dots on a white background. The dots are arranged in a pattern that suggests a banded structure, with higher density along the main diagonal and some off-diagonal elements, particularly in the lower-left and upper-right quadrants. The overall appearance is that of a sparse matrix visualization, possibly representing a discretized differential operator or a similar mathematical structure. The dots are small and black, and the grid is perfectly square.
