

A 20x20 grid of black dots on a white background. The dots are arranged in a sparse, irregular pattern that roughly forms a large, stylized letter 'A' or a similar abstract shape. The pattern is denser in the center and sparser towards the edges. The dots are small and black, set against a plain white background.

A 10x10 grid of 100 small clusters of black dots, each cluster representing a different number from 0 to 99. The clusters are arranged in a grid where the first column shows numbers 0-9, the second column shows 10-19, and so on, up to the tenth column showing 90-99. Each cluster is a unique pattern of dots, with some numbers having a single dot and others having many dots arranged in various shapes.
