

The image displays a 20x20 grid of black dots on a white background. The dots are arranged in a pattern that suggests a banded structure, with higher density along the main diagonal and some off-diagonal elements, particularly in the lower-left and upper-right quadrants. The overall shape is roughly rectangular, with some missing dots in the top-left and bottom-right corners.

The image displays a 10x10 grid of 100 small dot patterns. Each pattern is a unique arrangement of dots, representing a combination of the 10 digits (0-9). The patterns are arranged in four groups of 25, corresponding to the four quadrants of the 10x10 grid. Each pattern is a unique arrangement of dots, with some patterns being more complex than others.

A 3x3 grid of dots. The top row has three dots. The middle row has two dots, with the rightmost position empty. The bottom row has two dots, with the rightmost position empty.
