

The image displays a 10x10 grid of 100 small clusters of black dots on a white background. Each cluster is a unique arrangement of dots, representing a different number from 0 to 99. The clusters are arranged in rows and columns, with the first row containing clusters for numbers 0-9 and the second row containing clusters for numbers 10-19, and so on. The clusters are arranged in a way that they are easy to distinguish from each other, and the overall layout is clean and organized.

A 10x10 grid of 100 small, stylized human figures. Each figure is composed of black dots on a white background, forming a simplified silhouette of a person. The figures are arranged in a regular grid, with each row containing 10 figures and each column containing 10 figures. The figures are in various poses, some standing, some sitting, some with arms raised, and some with legs crossed, representing a diverse population. The overall effect is a dense, organized pattern of human forms.
