

The image displays a 10x10 grid of 100 small dot patterns. Each pattern is a 4x5 grid of dots, where each dot can be either present (black) or absent (white). The patterns are arranged in 10 rows and 10 columns, showing all possible combinations of the 10 dots. The patterns are arranged in a way that they represent all possible combinations of the 10 dots, with each row and column containing a unique set of patterns. The patterns are arranged in a way that they represent all possible combinations of the 10 dots, with each row and column containing a unique set of patterns.
