A 5x10 grid of 50 small, irregular black shapes. These shapes are scattered across the grid, with some appearing as single dots and others as small clusters or short strokes. The overall pattern is noisy and does not form a recognizable letter or figure.

A 4x10 grid of 40 small clusters of black dots. Each cluster is a unique arrangement of dots on a small grid, creating a variety of abstract shapes and patterns. The patterns range from simple lines and small groups to more complex, interconnected structures.

A 3x3 grid of dots. The top row has three dots. The middle row has two dots, with the rightmost position empty. The bottom row has two dots, with the rightmost position empty.
