

The image displays a 12x12 grid of black dots on a white background, representing a sparse matrix. The dots are arranged in a pattern that suggests a banded structure, with some non-zero entries along the main diagonal and a few off-diagonal elements, particularly in the lower-left and upper-right quadrants.

A 3x3 grid of dots. The top row has two dots, the middle row has two dots, and the bottom row has two dots. The dot in the top-right position is missing.
