

The image displays a 20x20 grid of 400 small clusters of black dots on a white background. Each cluster is a unique arrangement of dots, representing a specific 2D spatial pattern. The patterns vary in complexity, from simple linear or square arrangements to more intricate, interconnected shapes. The overall effect is a dense, textured field of these dot patterns.

A 3x10 grid of dots representing a sparse matrix. The dots are arranged in a pattern that suggests a banded structure with some off-diagonal elements.
