

A 15x15 grid of 225 small clusters of black dots, each cluster representing a different number from 0 to 999. The clusters are arranged in a grid where the first column shows numbers 0-14, the second column 15-29, and so on, up to the 15th column showing numbers 225-239. Each cluster is a unique arrangement of dots, with some numbers having a single dot and others having up to 15 dots.
