

The figure shows a 10x10 grid of points. The points are arranged in a regular pattern, with some points missing and some points added, representing a noisy sample of the true grid. The points are represented by small black dots.

The image shows three dot patterns. The first pattern consists of 4 dots arranged in a 2x2 square. The second pattern consists of 6 dots arranged in a 3x2 rectangle. The third pattern consists of 9 dots arranged in a 3x3 square.
