

A large grid of 100 rows and 100 columns of black dots on a white background. The dots are arranged in a sparse, irregular pattern, with some rows having more dots than others. The dots are small and black, and the background is white. The pattern is dense in some areas and sparse in others, creating a complex, abstract visual structure. The dots are arranged in a way that suggests a random distribution, but with some underlying structure or pattern that is not immediately obvious. The overall effect is a dense, textured field of black dots on a white background, with a grid-like layout.
