

The image displays a 10x10 grid of 100 small dot patterns. Each pattern is a 5x5 sub-grid of dots, where the presence or absence of a dot represents a binary digit (0 or 1). The patterns are arranged in a grid, with each pattern corresponding to a unique combination of 10 binary digits. The patterns are arranged in a grid, with each pattern corresponding to a unique combination of 10 binary digits. The patterns are arranged in a grid, with each pattern corresponding to a unique combination of 10 binary digits.
