

The image displays a 20x20 grid of black dots on a white background. The dots are arranged in a pattern that suggests a banded structure, with higher density along the main diagonal and some off-diagonal elements, particularly in the lower-left and upper-right quadrants. The overall appearance is that of a sparse matrix visualization, where each dot represents a non-zero entry in the matrix.

• • •

A 3x3 grid of dots. The top row has two dots in the first and second columns. The middle row has one dot in the first column. The bottom row has two dots in the first and second columns. The dot in the top-right position (row 1, column 3) is missing.
